ON PETITION FOR DISCRETIONARY REVIEW**

---

**TO THE HONORABLE JUDGES OF THE TEXAS COURT OF CRIMINAL  
APPEALS:**

Comes now, Gregg Carl Baird, appellant in the above styled and numbered cause and files this motion for extension of time to file appellant's brief on petition for discretionary review and would show the following:

**I.**

On May 16, 2012, the Court granted appellant's petition for discretionary review. Appellant's brief is due on June 15, 2012.

**II.**

Appellant seeks a thirty (30) day extension in which to file his brief on petition for discretionary review, up to and including, Monday, July 16, 2012.

RECEIVED IN  
COURT OF CRIMINAL APPEALS

### III.

This request is based on the following facts which prevent counsel for appellant from preparing the brief on petition for discretionary review by the current deadline:

Since the petition was granted by this Court, counsel filed an appellant's brief in *Peck v. State* in the Tenth Court of Appeals, an appellant's reply brief in *Ex parte Nguyen* in the Third Court of Appeals, an appellant's brief in *Sheldon v. State* in the Tenth Court of Appeals, and an appellant's brief in *United States v. Ramos* in the United States Court of Appeals for the Fifth Circuit. Counsel testified as an expert witness on June 6, 2012, in the 272<sup>nd</sup> District Court of Brazos County. Counsel presented oral argument in *Flores v. State*, a capital murder conviction, in the Eleventh Court of Appeals on June 14, 2012. Counsel will not have an adequate opportunity to review the record, review the briefs, review the opinion, conduct legal research, and prepare the brief on petition for discretionary review by the current deadline of June 15, 2012.

### V.

No previous extensions have been sought or granted to file appellant's brief on petition for discretionary review.

### PRAYER

Appellant requests this Court grant the motion and extend the time to file his brief on petition for discretionary review by 30 days, up to and including, Monday, July 16, 2012.

Respectfully submitted,

Richard E. Wetzel
